Number: **CF303** Version: **V05** Date: 21-05-2012

(Permanent or also called long term confidentiality is the normal method to keep certain docuements confidential, and may apply to schematics, block diagrams, operational description and bill of materials.)

To: Federal Communications Commission Equipment Authorization Branch 7435 Oakland Mills Road Columbia, MD 21046

Pursuant to 47 CFR Section 0.459(a) & (b), we,

(the applicant / grantee)

Company name NCC NY LLC

Address SUITE 6W, 140 58TH ST,
City BROOKLYN NY 11220

Country United States

request for this certification filing under:

	Grantee Code	Product Number
FCC ID:	2AHNS	-TK206

to maintain permanent confidentiality for the following documents submitted within this application:

(please cross what is applicable, or add other documents, provide the file name and description)

	Exhibit File Name		Description	
1	Operational Description Operational Description		explaining the functioning of the block diagram	
1	Block Diagrams	Block Diagrams	showing the systematic building blocks of the EUT	
^	Schematics Diagrams Schematics		showing components, their values and interconnection	
	Bill of Materials		List of components used on the PCB's of the EUT	

Above materials crossed contain secrets, proprietary and technical information, which would customarily be guarded from competitors under 47 CFR, section 0.457(d)(2). Disclosure or publication or any portion of this company confidential material to other parties could cause substantial competitive harm and provide unjustified benefits for competitors. We understand that pursuant to 47 CFR section 0.457(d)(1)(ii) disclosure of the applicant and all accompanying documentation will not be made before the date of the grant. The documents indicated as confidential above, are not publicly available elsewhere.
